The World's First Smart Inverter Water Purifier

# LG PuriCare™ | Water Purifier

## Overview

1. Product Features
2. Unique Selling Points (USP)
3. Pricing & CareShip
4. Product Comparison

## Key Features

1. Smart Inverter Compressor
2. Large Capacity
3. Hygienic Water Purification
4. Various Convenient Functions

## World's First Inverter Stand Water Purifier

When the cold-water temperature is low

- Compressor movement speed will decrease

When the cold-water temperature is high

- Compressor movement speed will increase

When the cold water becomes too cold, the compressor motor slows down.

When the cold water starts to warm, the compressor motor speeds up.

10 Year Parts Warranty on Inverter Compressor

## 7.5ℓ Large Capacity Cold Water

\*Total tank capacity 10.9ℓ (7.5ℓ Cold Water, 3.4ℓ Hot Water)

Capable of dispensing **37.5 cups** of water in a 200ml glass

Capable of dispensing **5 1.5ℓ** water bottles

## Hygienic Infinite Water Purification

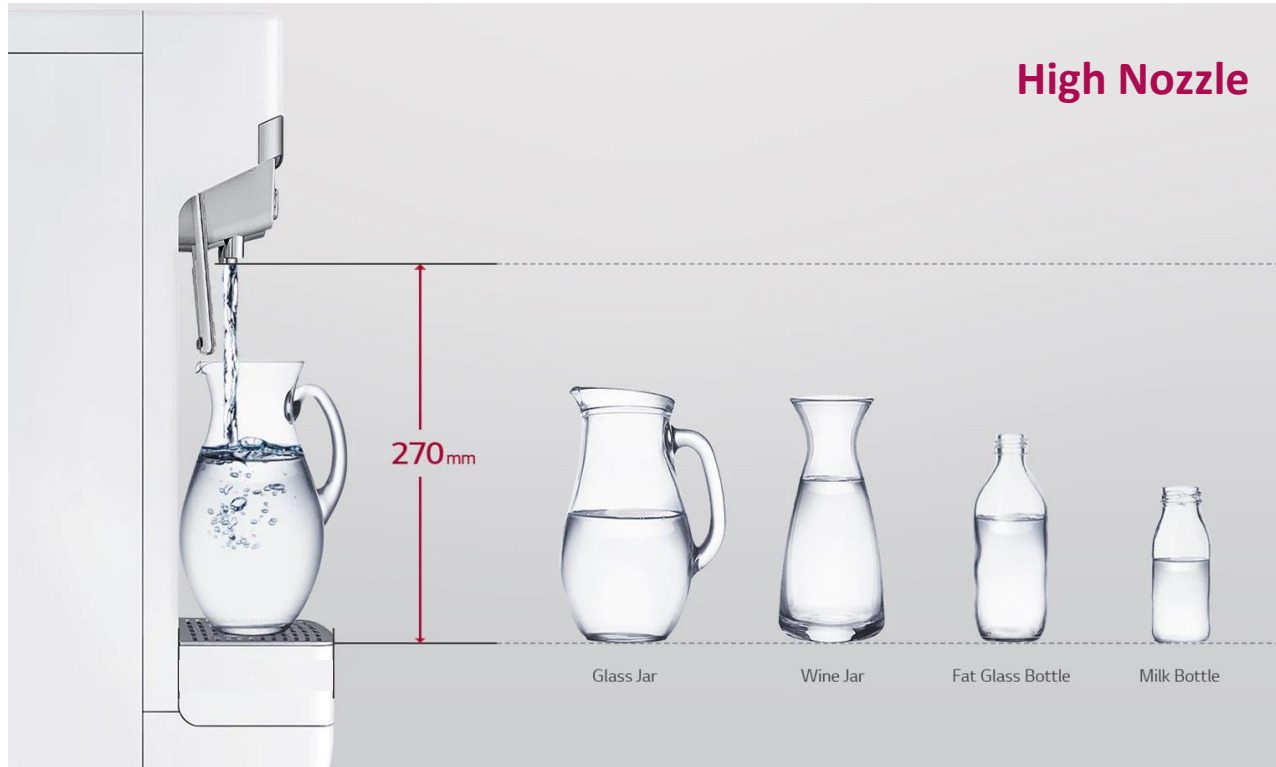

### Seven Trap Filter System

**4-stage complex filter** cleanly removes not only bacteria but also 7 types of heavy metals in the water.

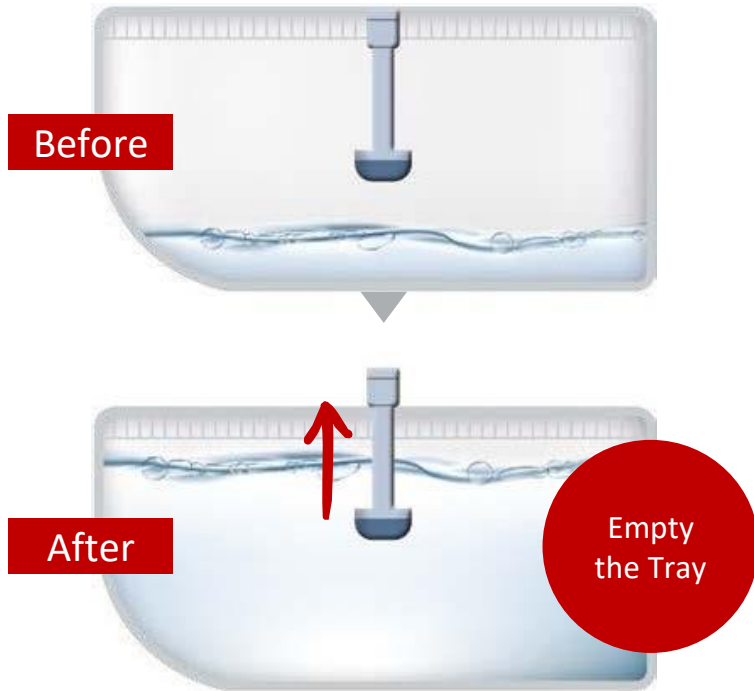

Filter system that **removes 7 types of heavy metals**. (Mercury, Lead, Arsenic, Cardboard, Aluminium, Iron & Copper)

# Various Convenient Functions

# Various Convenient Functions

## Overflow Warning

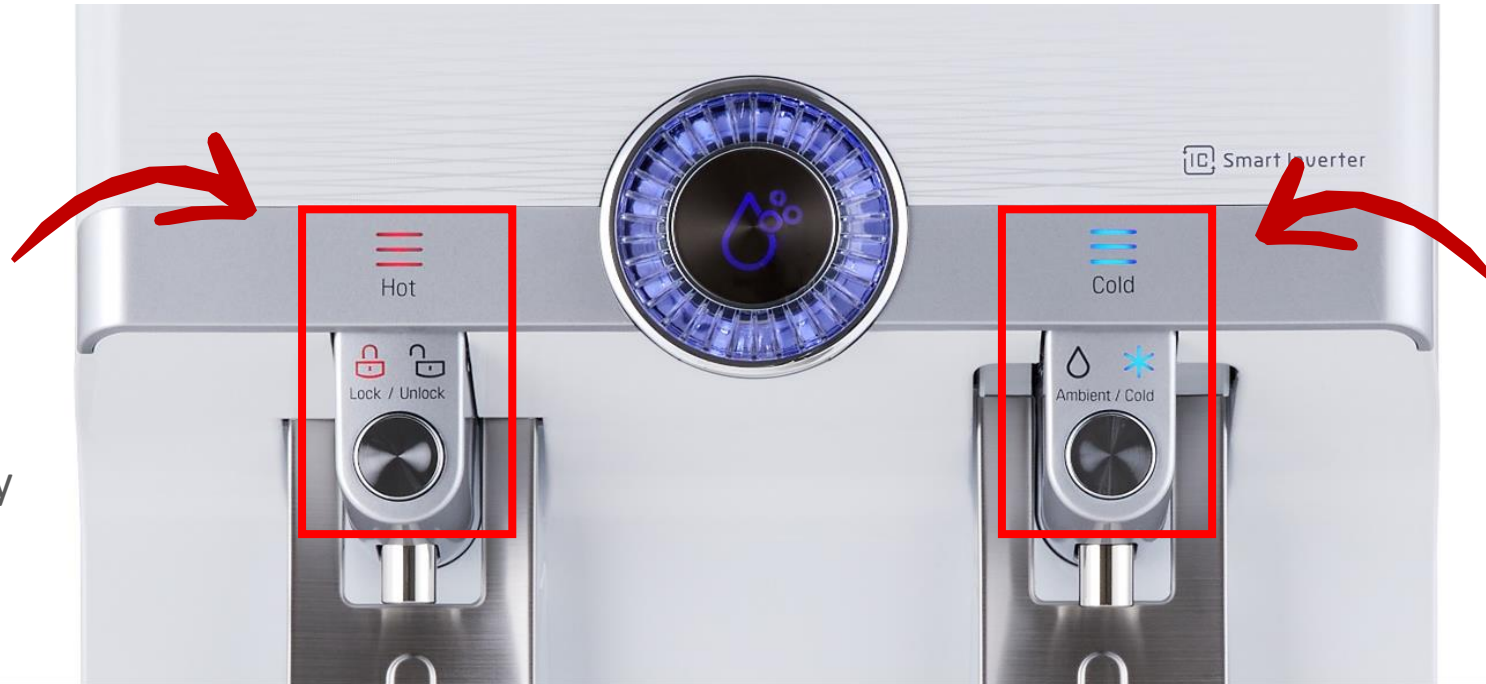

A pop-up knob notifies you to empty the tray to prevent overflow of water when tray is full.

\* 1.9ℓ Tray Capacity

# Various Convenient Functions

## Lock/Unlock Button

Each time you press it, hot water is released by locking/unlocking button.

## Ambient/Cold Water Button

Switches between ambient and cold water

## Various Convenient Functions

### Clean Lamp

Tells when to replace the filter by the color of the lamp! If the color changes from **blue** to **orange**, you can see when to replace the filter.

**Product Warranty :**

General Part

Outright : 1 year

Rental : Follow rental period

Compressor : 10 years (unlimited claims)

**Maintenance Period :**

Outright or Installment : 3 years

Rental : 5 years

**Filter Change Period :**

Sediment filter : 6 Months

Pre-Carbon filter : 12 months

UF Membrane filter : 12 months

Post Carbon Block filter : 18 months

**Type of Service Maintenance :**

**3 Months**
